Power RevisionHour

Step 1

Choose a past exam paper question.

Step 2

Spend 20 minutes revising what you need to know to answer the question.

Step 3

Do the question. Set a timer for the allotted time for the question chosen.

Step 4

Correct the question using the SEC marking scheme (available to view on www.sec.ie). This will help you understand how the exam question is corrected.

Step 5

Get feedback from your teacher and/or study peers by sending them your question.
