

STUDY TIPS

TIPS & TRICKS FOR STUDENT SUCCESS

- ✓ Have a **planner**/calender to write down deadlines for assignments, homework and tests.
- ✓ Use a **colour-coded** system for your different subjects and notes
- ✓ Find a **place to study** that fits your personality and learning style
- ✓ **Review** the syllabus early and often to become more familiar
- ✓ **Take notes** down in class and use active listening techniques
- ✓ **Read** the material as well as listening to the teacher
- ✓ **Listen** for points the teacher stresses or repeats
- ✓ Study **little and often** throughout the year for best recall
- ✓ Take **care** of yourself – adopt good habits that will contribute to successful study: eat well, get enough sleep, take breaks, exercise, laugh, spend time with friends and family

STUDY HABITS TO AVOID

- × **Trying to take notes on everything**
- × **Highlighting overkill – if everything is highlighted, nothing will stand out**
- × **Rewriting for the sake of rewriting – make notes relevant to you so you can understand them**
